What to do in the event of an incident

We know it can be stressful if **you** or **your vehicle** are involved in an accident, so here are **our** helpful hints and tips of what to do if **you** are ever involved in an accident:

1. Keep calm

Accidents are stressful, **we** are here to help!

2. Move to a safe location

Make sure **you**, **your** passengers and **your vehicle** are safe. Providing it is safe to do so, move **your vehicle** to a safe location away from flowing traffic to avoid any further incidents.

3. Call 999

If anyone has been injured, call the emergency services straight away on 999. It is really important to prioritise the safety of **you** and anyone else involved in the accident.

4. Swap details

It is important to take the following details from all those involved:

- name
- vehicle registrations, make and models
- telephone number
- address
- insurance details
- any injuries
- contact details of any witnesses.

5. Do not take the blame

Even if **you** think the accident was **your** fault, do not take the blame. **Our** job is to investigate who is at fault for **you**.

6. Take photos

If possible and safe, take photos of all the vehicles involved, including **your** own, the accident location and any road markings.

7. Contact us to recover your vehicle (Comprehensive customers only)

We will arrange for **your vehicle** to be collected from the accident site and deliver it to either an approved repairer, **your** home or a safe place of storage, within a 30-mile radius. **You** and **your** passengers will also be moved away from the accident site to the nearest local amenity, if it is not safe.

8. Let us look after you

You can either call **us** on **0333 220 2033** or visit admiral.com/claims to register **your** claim online as soon as it is safe to do so. Welcome to Admiral

This booklet outlines the details of **your** car insurance with **us**, whether **you** have a single car policy or insure one car or more on a MultiCover policy.

Single Car policies

This booklet will let **you** know how **your vehicle** is covered by this policy. Please read this alongside **your** other documentation to make sure **you** are familiar with all the terms of **your** policy.

Admiral MultiCover/MultiCar

Admiral MultiCover is designed to cover **your** car, van and home on a single policy. This policy may include multiple cars (also known as MultiCar) or a combination of one or more vehicles and homes.

MultiCover is all about making things easier. It combines **your** existing car, van or home insurance and brings them together under a standard 12-month policy with a single renewal date and policy number.

You get a set of documents for each car, van and/or home **you** insure under the policy. Please read these to make sure **you** are familiar with all the terms of **your** policy.

The policy administrator

All policies must have a policy administrator.

Single car policy

If **your** policy is for just **your** car, **you** will be the policy administrator.

The policy administrator is responsible for all payments, including any made by another person. If there is any overdue amount which needs to be paid, **we** will contact the policy administrator.

MultiCover policy

Each car, van or home insured under the MultiCover policy will have its own individual **policyholder**. The policy administrator will be one of the individual **policyholders**, and they will be **our** main point of contact.

If the policy administrator removes their own vehicle or home from the MultiCover policy, they must appoint one of the other individual **policyholders** to take over as the policy administrator.

The policy administrator can:

- access all documentation, information and personal data relating to all **policyholders** included under this policy
- nominate another **policyholder** to become the policy administrator
- make any changes to all parts of the policy.

The policy administrator is responsible for all payments, whether those payments are made by individual **policyholders** or any other person. If there is any overdue amount which needs to be paid, **we** will contact the policy administrator.

The policy administrator is also responsible for making sure all individual **policyholders** have access to their policy documents so they can check and amend the information if necessary.

For details of changes that individual **policyholders** and named drivers can make to MultiCover policies, please see General condition 13.

Welcome to Admiral (cont.)

When taking out a new policy (which could be a whole new policy or adding a car, van or home to a MultiCover policy) the policy administrator gives permission to anyone who can make changes (as set out in General condition 13, Instructions) to assess and confirm the suitability of the policy. This person must consider the policy administrator's circumstances, and agree to tell them about changes to the policy and provide any further information if necessary to confirm cover.

We will repair **your vehicle** with parts of a similar standard and quality to the parts being replaced. The parts **we** use may not be produced or supplied by **your vehicle's** manufacturer. They may also be recycled parts.

Section 2: Damage to your vehicle (cont.)

Your settlement may be reduced, or **you** may be asked to contribute towards the repair costs, if the parts being replaced were already worn or damaged.

If **your vehicle's** ADAS (Advanced Driver Assistance System) needs to be recalibrated as a result of any repairs, **we** will also cover these costs.

A decision will be made based on the garage/engineer's recommendation.

If **your vehicle** is subject to a hire purchase agreement, **we** will pay any money owed to that company first and then pay any remaining money to **you**. If **your vehicle** is on lease or contract hire, **we** will pay the lease or contract hire company either the **market value** of the vehicle, or the amount required to settle the agreement, whichever is less.
